

COVID-19 PANDEMIC

Due to the desire to protect employees and customers and to assist in “flattening the curve” of this COVID-19 pandemic, LEWC wineries are following state and local recommendations and are no longer serving wine samples to customers. Bottles of wine, however, may be purchased in most of the wineries and pre-orders are being accepted by the wineries for “curbside” pick-up if preferred. Many of the wineries have online ordering/shipping options. Please do visit winery websites for current updates.

PLEASE SEE PAGES TO FOLLOW FOR DETAILS ON EACH WINERY'S SAFE PRACTICES.
